

ONE WEEK, TWO CONFERENCES, INFINITE POSSIBILITIES

CW Cyber Week
June 23rd-26th, 2025
Tel Aviv University, Israel

Ai AI WEEK
June 25th-26th, 2025
Tel Aviv University

In cooperation with:

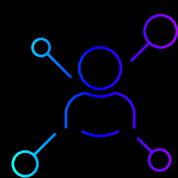

Bring a Delegation to Cyber Week and AI Week 2025

Host your delegation at two of the world's premier technology events, held at Tel Aviv University: **Cyber Week** and **AI Week**. These events offer unparalleled opportunities for collaboration, knowledge exchange, and networking with global leaders in cybersecurity and artificial intelligence.

As a global hub of innovation, Israel is at the forefront of cybersecurity and AI, boasting cutting-edge research, pioneering startups, and leading multinational tech companies.

Exclusive Opportunities for Your Delegation

Meetings with startups and entrepreneurs driving technological innovation.

High-level networking and business opportunities with international leaders.

Promoting mutual investments and fostering bilateral ties.

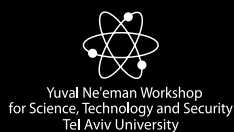

Speaking opportunities for thought-leaders.

Cyber Week - June 23rd-26th, 2025

Over the last fifteen years, Cyber Week has become one of the top cybersecurity conferences in the world. Cyber Week gathers cybersecurity experts, CEOs, CISOs, C-level executives, government officials, diplomats, military leaders, academics, investors, and startups. Join us at Israel's flagship cybersecurity conference.

Cyber Week is hosted by the Blavatnik Interdisciplinary Cyber Research Center at Tel Aviv University, together with the Israel National Cyber Directorate at the Prime Minister's Office.

Why Attend?

Build strategic relationships, exchange insights with top experts, connect with global cyber leaders, and explore innovations shaping the future of cybersecurity.

AI Week - June 25th-26th, 2025

AI Week is an international conference spotlighting cutting-edge AI research and real-world applications of intelligent systems. It brings together industry leaders and pioneering academics to discuss AI-driven solutions transforming industries.

AI Week is hosted by the Blavatnik Interdisciplinary Cyber Research Center, the Tel-Aviv University Center for AI and Data Science (TAD) as well as the Yuval Ne'eman Workshop for Science, Technology and Security, at Tel Aviv University.

Why Attend?

Discover groundbreaking research, engage with industry leaders, and shape the future of artificial intelligence.

Our team can work with you to create a tailored experience for your delegation, ensuring incredible insights and opportunities to immerse in Israel's tech ecosystem.
